## *INTRODUCTION*

USA Volleyball is the National Governing Body for Volleyball, as authorized by the United States Olympic Committee, consistent with the Amateur Sports Act of 1978, and is the recognized National Federation to the Federation International de Volleyball (FIVB). The Pioneer Region is a liaison to USA Volleyball (USAV) and is designed to foster and conduct area, state, regional, and national amateur volleyball competition.

The United States Volleyball Association is the governing body for competitive volleyball in the United States. In 1981, it made a commitment to provide opportunities for young players to play outside of their school programs and in 1981 created a division of the USA exclusively devoted to Youth and Junior Olympic Volleyball Development. The USAV states that Junior Olympic Volleyball Programs represented "...the future of volleyball in the U.S. The Junior Program was created to serve as a major building block for scholastic, collegiate, recreational and club play throughout the country."

The purpose of the USA Junior Olympic Volleyball Program is to offer youths the opportunity to become involved in a wholesome and beneficial athletic activity, which they can pursue at various skill levels. In many cases it is a chance for all athletes to receive high quality instruction in skills development and team strategy. The program is a co-educational system that emphasizes instruction through the fun of participation. It is a progressive skills program, based on the physical development of young volleyball players by age group.

Junior Program athletes have been so successful that most NCAA Division I, II, and III coaches recruit exclusively from the Junior Program ranks. The reason for this is simple. Coaches can see many solid prospects in a single day at a Junior Tournament, while it is difficult to see more than one prospect a day during the high school season. This becomes even truer with the NCAA rules governing the number of times a collegiate coach can contact or observe in person a given player.

Junior Volleyball is not only for the college bound athlete. Many athletes play to improve their skills in order to make their high school or top-level grade school teams. Junior Volleyball allows players of all skills levels to learn, improve, and progress at a pace they can achieve.

Welcome to the Pioneer Region of USA Volleyball. The birth of the Pioneer Region began with a vote at the 1996 USAV Open Championships to create from a portion of the Ohio Valley Region, the Pioneer Sub-Region. The new Pioneer Sub-Region consisted of the state of Kentucky, and any teams or individuals from the southwestern counties of Ohio within the 513 area code which wished to join the new Sub-Region. Ron Kordes took on the job of being the first Commissioner. The status to become a full region was evaluated by the other 34 voting Regions in May 1997 at the USAV Open Championships in Kansas City and the new Pioneer Region was born.

The region has put this handbook together to help you become a successful program. Please read the information and jot down any questions you may have. Many times most of your questions can be answered by the USA Volleyball website or the Pioneer Region website. Familiarize yourself with the sites and what is offered so as the season progresses you can refer to them for information. Do refer to them on a regular basis as they offer valuable information about National tournaments and other volleyball related activities. Try to use these sites to answer any questions you may have.

You also may find answers in this handbook. If not you may contact Commissioner Ron Kordes, or Assistant Commissioner/Registrar, Nancy Funk. Their contact information can be found on the front of this handbook or on the Pioneer Region Website – [www.PioneerVB.com](http://www.PioneerVB.com).

**All forms referred to in this handbook can be downloaded from the Pioneer Region website.**

## *Registration*

The Pioneer Region uses the USAV online registration system (webpoint). Go to the Pioneer Region website [www.PioneerVB.com](http://www.PioneerVB.com). On the home page you will click on the 'Registration, tab and follow the directions to apply for membership. All required forms are completed and signed on-line by each adult individual and a parent/guardian for a junior player. This includes the waiver & liability, background screening and code of ethics

The membership will be complete when payment by the club, adult player or official is received by the region registrar. They are no membership/background screening fee refunds.

***Every member must apply for membership at the beginning of each season.***

- a. Every club director, player, coach, chaperone, tournament director, trainers and anyone who is active with your club (in practice, board members) must be a member. This is for insurance coverage.
- b. For each Junior participant, a parent (or legal guardian) MUST enter the required information on-line to complete the junior application
- c. Each adult must enter their own application on-line.
- d. Each individual is only required to pay one membership fee; even if they are serving in more than one capacity (ex; coach and official)
- e. If your team desires to add any players or coaches during the season, the individual must complete all necessary information online and make their payment **before they participate. Failure to do so could SUSPEND your team for the season and void all insurance coverage.** If the individual is an adult participating with a junior club the member must also have a clear background screening.
- f. Players may not change clubs after signing a contract with a club for the upcoming season. Please be aware that there may be extreme instances in which a change of clubs will be allowed. If a change of club is needed contact the Regional registrar. A player may register with only one club. Coaches may coach for multiple clubs with all involved clubs' agreement.

- g. Activate your club by filing the 'Club Activation Form'. The club director will receive all regional correspondence for the club.
- h. Adults (this includes officials) associated with junior clubs will need to complete both the Background Screening form and the code of ethics form during the online registration process. Background Screening is required every 2 seasons (see Pioneer Region website for further information about background screening) \$18.00 fee must be submitted with the \$50 membership fee.
- i. Membership registration fee is \$50.00 per person. The Club Director sends;
  - 1. An alphabetical (last name, first name) list of players and coaches of all individuals being paid for
  - 2. **One club check** made out to the Pioneer Region for the full amount due. This includes membership and background screening fees. There are no fee refunds.

Mail to:

Nancy Funk  
Pioneer Region Registrar  
7906 Ferndale Rd.  
Louisville, KY 40291

***Have each player make their check out to the club.  
The club then sends one check to the region registrar.***

**\*\*\* PLEASE do not mail rosters and checks with receipt requested or signature required.**

### *Debt*

Any player, with a signed club contract that does not fulfill their monetary obligation, may be reported to the Pioneer Region registrar by the club director, prior to the beginning of the next registration season. If the player did not fulfill their financial obligation to a club, they may not do so to the next club. By clubs reporting players leaving a financial obligation the region may assist in notification keeping players from traveling club to club owing a debt. Any player reported for non-payment of fees during a season is placed on 'region hold' and could possibly not be registered for the next season until a settlement/agreement is reached with the previous club.

Region due process is available to all members.

## *Background Screening*

USA Volleyball has mandated that adults who work with junior participants must undergo a background screening. Every adult associated with juniors must have a USA Volleyball screening completed which is good for two registration seasons. Refer to the “Regional Volleyball Association of USA Volleyball Background Screening Policy” on the Pioneer Region Website to help answer your questions.

The background screening form must be completed by all club directors, coaches (head & assistants) chaperones, officials, trainers, tournament directors and any adult who will have direct contact with junior participants. The cost for each screening is \$18.00 (paid to Pioneer Region). The background screening form is generated and signed online when the adult registers for membership.

Adults connected to a junior team/club may not be added to a junior roster until the background screening is returned as cleared. Anyone refusing a background screening may not participate with junior athletes. Allow 2 weeks for the background screening to be completed. All information will be strictly confidential.

Notification of disqualification (no specifics) will be provided to the Club Director, USA Volleyball national office and the regional registrar. Each disqualified applicant will be contacted personally by the screening company, Southeastern Security Consultant’s Inc. (SSCI), and provided due process by the screening company.

**Any adult reported as disqualified may not be registered with a junior club or work with juniors in the region. Club Directors have ultimate responsible to see that all adults working with their club are registered, have a cleared background screening and if disqualified that the disqualified adult is not working with their club.**

**We must all remember that this is for the safety of the junior participants.**

## *Safe Sport*

Safe Sport is a program required by the USOC (United States Olympic Committee) of all NGB's. All adults who are required to be background screened are required to complete the Safe Sport program. It is a 90 minute online education program that must be completed every 2 years.

If the IMPACT course is taken Safe Sport is now included as part of the training.

To Complete the SafeSport Training:

1. Follow the link <https://training.teamusa.org/> to the Team USA Prep Center
2. Click STORE
3. Choose SafeSport Training
4. Click ADD TO BAG
5. Click CHECKOUT (there is no charge)
6. Follow the on-screen instructions for registering and completing the training. If you have never created a log in for this site click REGISTER
7. If registering for the first time, be sure to “+Add Membership” and select USA Volleyball and enter your current USAV Membership Number. (NOTE: If you don’t have your Membership Number, you may enter “official, coach, chaperone or your role”)

It may take 2-3 business days for the completion of the SafeSport certification to be updated in your Webpoint record. You may want to print out your certification at the completion of the course and present it to you regional office or tournament director as proof of completion.

## *Try outs Junior Girls*

**\*\*\*\* In the Pioneer Region there are to be no High School Junior Girls club try-outs held until the Sunday of the Kentucky State High School Championship match \*\*\*\***

**Try –out dates are published each season by the region office**

1. For High school age (15-19) girls grades 9 – 12 the Sunday of the Kentucky High School State Volleyball Championships is the first day of try-outs.
2. Younger players (14 and under) try outs are the Saturday two weeks prior to the Kentucky High School State Volleyball Championships as long as all local grade school and middle school championships are completed.
3. All states have high school eligibility rules. Clubs having tryouts that involve players from surrounding states must ensure they abide by all eligibility rules for those states.
4. If you are having try-outs in facilities outside the Kentucky borders be sure you are not breaking rules of the region that the facility is located.

## *Junior Boys*

The season will begin on September 1<sup>st</sup>, just as the USA season begins. There is a split season due to boy's high school volleyball is scheduled in the spring in most states. When a player signs a contract with a club on or after September 1<sup>st</sup>, he is obligated to that club until the completion of the USAV Boys Junior National Championships. The Pioneer Region will encourage good sportsmanship. If a player would like to change clubs during the split season and they are in good standing with their current club financially, the change would be granted with permission of the current club director.

## *Recruitment*

The open contact period for the Pioneer Region begins as soon as the USA Volleyball Junior National Championships come to conclusion each season. (Usually the first week of July) After that time a player may be approached by other region clubs/teams. Once a player signs a contract/acceptance letter with a team/club for the upcoming season they may no longer be actively recruited by any region club. Players may accept a position with the current club prior to the open recruitment period but not a new club until the open recruitment period.

The parents/players hold responsibility to inform clubs that they have signed a club contract/acceptance letter for the upcoming season. The club should ask!

### INVITES

Invites to players outside your club must be during the OPEN CONTACT season.

Club Directors/coaches...do not interfere with high school teams/coaches during their season of play. Anything that high schools could feel as interference with their players could find the state high school associations passing stricter rules.

**The development of new junior clubs is highly encouraged and assistance will be provided. The Region will take action to preclude any unethical practices by a team/club. Additionally, clubs must take every precaution to ensure compliance with existing USAV and respective state high school eligibility rules for all junior participants.**

## *Team Age Requirements/Open & Club Divisions*

USA Volleyball Junior teams are divided according to player age.  
(See the Junior [Age Definitions](#) on website)

In most age levels, competition is divided into Open and Club divisions. The Open division is for the elite, highly skilled teams. Some tournaments will offer an Open, Club and other divisions, while some tournaments are not divided into divisions so are open to all teams that wish to compete. Most new clubs will usually not compete in the open division.

Players may compete on teams with older players...for example a 14-year-old may play on a 16 year old team since she is younger than the 16 age limit. A 16-year-old may not compete on a 14 year old team; he/she is older than the age limit.

**All members of the team must meet the age requirements. In some cases a waiver may be granted for a player to compete – *never* is a waiver granted for competition in any National event. Contact Nancy Funk – [NFunk@twc.com](mailto:NFunk@twc.com) if any information is needed. (See Pioneer Region website for age waiver request form)**

It is highly suggested that club directors have all junior participants submit a photocopy of their birth certificate if you plan to participate in any National event. This should be kept on file by the Club Director, in case a question arises about a participant's legal age.

## *USA VOLLEYBALL AGE FALSIFICATION POLICY*

### **(Adopted by USA Volleyball Board of Directors, January 19, 2002)**

For all USA Volleyball corporate events, any person who alters any document that certifies the age of a participant, or falsifies any statement which lists the age of a participant, will be sanctioned as follows:

Any team representative, coach, program director or responsible adult found to be a party to such action shall:

1. Be immediately suspended from registration with USA Volleyball and barred from further participation in the event; and
2. Be barred from participation in any USA Corporate events in any capacity, for a minimum of two (2) years; and
3. Have a minimum probation of one additional year, to run consecutively to the suspension.

A junior player who knowingly plays in a lower age classification than he or she is actually eligible for, or an adult player who knowingly plays in a higher age classification than he or she is actually eligible for shall:

1. Be immediately suspended from registration with USA Volleyball and barred from further participation in the event; and
2. Be barred from participation in any USA Corporate events in any capacity, for a minimum of two (2) years; and
3. Have a minimum probation of one additional year, to run consecutively to the suspension.

When discovered and confirmed during an event, these penalties shall be the required minimum penalty imposed by the Event Arbitrator or the Event Ethics and Eligibility Appeals Committee.

The Event Arbitrator or the Event Ethics and Eligibility Appeals Committee may recommend a more severe penalty. The Event Arbitrator or the Event Ethics and Eligibility Appeals Committee shall file a report of any age violation with the Corporation's Ethics and Eligibility Committee and with the registering Member Organization with its recommendation.

## *CLUBS*

Teams are allowed to “club” together – merge resources from several teams - to provide additional opportunities for play. This can also prevent a team from forfeiting or withdrawing from a tournament after registration due to a lack of players. Players may move from team to team within a club as long as they meet all age requirements.

Adult players may not play down more than one division. Due to the limited number of adult players in the Pioneer Region, adult men and women are all considered to be one “club”.

Clubs must have one contact listed in webpoint. This is the club director or team representative to be contact for information from the region as necessary.

### *11 digit team code Director Online access*

Each club director will be granted access to the online webpoint registration system after their season membership is paid and they have a current background screening. With this access the club director is able to download information about their own club registered members. There is a guide of available instructions on the Pioneer Region website to help learn about the access available. Club Directors will:

1. Be granted access to their club information on-line.
2. Be required to go online to form their team rosters.
3. Be able to print a roster for each team registered
  - A. At the top of your roster is your registered team name
  - B. Eleven digit team ID – This is your **11-digit code** name. When you enter a tournament this is the code you enter on your entry form. F J7 YOUCL 1 PR  
What does each digit mean?  
Team Gender F = Female M = Male  
Junior team = J  
Age division = in the example above 7 = 17 & under  
Club code = each Club is given a 5-letter Club code, example YOUCL  
Team # = in this example this is the number 1 team in the club in this age division  
Pioneer Region = PR for your region
  - C. Member # - This is the player registration number that will go on the roster that you send into a tournament.
  - D. The rest of the roster should be self explanatory

As club director keep a copy of the roster and give one to the team coach.

You may attach this roster to any tournament entry forms to show all the information about your team that is needed by tournament directors.

For registration in AES the '5 Letter' Club code is what you need for registration.

### *Player Information Form*

The form is read by the parent/guardian prior to accepting a place on your club/team. The parent/guardian accepts this form online when they register their junior player. The form may be included as part of the contract that you club has the parent/guardian sign.

Part of the information included is to inform the parent that all debt must be paid to the club prior to the next season registration.

## *Coaches Code of Ethics*

Any complaints concerning breaches of this code must go to club directors and at their discretion, turned over to the Pioneer Region complaint committee to be heard. All complaints must be first hand, in writing and signed by the athlete and/or parent/legal guardian. Due Process is available to all Pioneer Region members.

## *Medical Release*

### **Player Medical Release Form    DO NOT SEND THIS FORM IN WITH YOUR REGISTRATIONS**

This form will provide medical information in case emergency treatment is needed in the absence of a parent or legal guardian.

1. Each junior player must have this form filled out - the parent/legal guardian **MUST** sign it.
2. **Club Director** – keep THE ORIGINAL of this form, in case of loss (this has happened on more than one occasion). Some tournaments will require that the coach to show the forms as proof that they have them in their possession.
3. **Team Coach** – must have a copy of this form with them at all times, practice and competition, for every junior player on their team in case of emergency.
4. **Chaperone** – make a copy and give to the team chaperone also. If there is an injury the chaperone may accompany the player for treatment while the coach can remain with the rest of the junior players.

When the form is returned to the club director, be sure it is completely filled out and signed. Many tournaments will require you to produce these forms before your team will be allowed to participate. A few states require (Florida as an example) this form be notarized.

This form may be downloaded from the Pioneer Region website under 'Documents and Forms' or it may be downloaded during the online registration process.

## *Incident & Medical Claim Forms*

The Incident and Medical Claim forms are for use **ONLY** if needed for an injury report.

By being a member of the Pioneer Region and USA Volleyball there is a secondary insurance policy included in the dues. Participant excess medical coverage provided under the USA Volleyball master insurance policy is intended to provide up to \$25,000 of EXCESS medical coverage for injuries sustained while driving to, participating in, or returning from an approved or sanctioned event. The coverage is not designed to replace existing medical coverage available to a participant. This is a secondary policy that covers after the primary carrier has paid. The sole purpose is to provide reimbursement for covered sports accidents when no other collectible insurance is available or primary limits have been exhausted. These forms can be downloaded from the website.

### *Incident Report - Filed with the region*

To be completed by the Tournament Director, Club Director, Coach or USA Volleyball Official at the time incident occurs. **NOT BY THE PARENT**. The form is to be filled out any time there is an incident (injury or incident that might result in an insurance claim being filed) to notify the region office. It is sent to the region who will forward to the Insurance carrier. Completed forms should be sent to:

Pioneer Region  
Nancy Funk  
7906 Ferndale Rd.  
Louisville, Ky. 40291  
Email – NFunk@twc.com

### *Medical Claim Form - filed by injured party with insurance carrier*

This form is for completion by the injured party or parent/legal guardian if a medical claim results. This 2-page form is then turned into the ADDRESS AT THE BOTTOM OF THE FORM. NOT TO THE REGION as this would be a HIPPA VIOLATION.

\*\*Remember all injuries do not result in medical claims

## *Tournaments & Entry Form*

All the region sanctioned tournaments are listed on the Pioneer Region website with contacts for entry. Also check the USA Volleyball website (<http://www.teamusa.org/USA-Volleyball.aspx>) where the National tournaments such as National Qualifiers are listed. There are links to all the USAV member region websites so you can browse for other tournaments to enter.

The Club Director has the ability to print a tournament entry form directly from the online registration site (webpoint) and mail it to the listed tournament director in the Pioneer Region.

Many tournaments do their registration online. AES is one of the most used systems. All National tournaments (Adult Open, Qualifiers, Junior Nationals, etc.) do online registration. **Check frequently on the USA Volleyball website for any changes in their guidelines for tournament registration. These guidelines must be followed!**

Looking to stay closer to your home area to participate? Regions close to us are: Hoosier (Indiana), Ohio Valley (Ohio & West Virginia), Great Lakes (Illinois), Gateway (St. Louis & Southern Illinois area), Delta (Arkansas & Western Tennessee), Southern (Tennessee & Northern Mississippi). You can link to any of their websites to check out what tournaments they have to offer by going to the USA Volleyball website at <http://www.teamusa.org/USA-Volleyball.aspx>

Be sure to check that you have been accepted into a tournament. Each tournament should notify you of your acceptance prior to the date of the tournament. If you have not heard from them, they may not have gotten all the required entry materials. Check before you show up, you do not want to make a wasted trip.

Each tournament has its own entry fee. This fee is based on tournament expenses. Some tournaments may only have one day of play, others can be two, three or more days. Also remember that if there is more than one day of play and you are away from home there will be hotel expenses to cover.

Formats may also differ. Be sure when you enter you are aware of what format they will be playing. Know up front how many matches you are guaranteed.

Some (but not all) formats include –

1. Round robin 4 team pool play with the top 2 teams going to single elimination championship play and the other teams going home
2. Pool play with a re-pooling of teams, then teams being sent into single elimination championship brackets after completion of the second round of pool play.
3. Some tournaments send teams home after pool play if they do not finish in the top of the pool, but most now have play for all teams in mini single elimination brackets to give teams more play.
4. Tournaments may play matches, best 2 out of 3 games to 25points, or shortened 2 out of 3 games to 21 or 19 points
5. Tournaments may play only 2 games and not matches until single elimination tournament play.

**NEVER leave a tournament site until you are sure where and what time you play or officiate again.**

Many teams had to forfeit matches because they did not read the schedule correctly. Schedules are not easy to read and coaches who have been doing this for years have made errors. Have one of the team parents' help and everyone confirm what they read. DO NOT be afraid to ask!

**Want to have your own tournament?** Use the Pioneer Region Tournament Handbook for information

## *REGIONAL CHAMPIONSHIPS*

The Pioneer Region will accept all registered USAV junior teams in our region to the Regional Championships if entry procedures have been properly carried out by the deadline.

The Regional Tournament Director and his/her committee will seed teams.

Currently there are so few registered adult teams in the Pioneer Region that there is no adult regional offered.

## *Bid Tournament*

The Pioneer Region conducts a 'Bid Tournament' to award bids given the region for all girls' junior team age divisions currently offered a National Championship by USA Volleyball. All teams in the region who meet the following criteria may compete:

- a. **Do not** already have an Open or National bid to the Junior National Championships.
- b. The team must be properly registered online according to the USA Volleyball National office guidelines. Check the National office website - USAVolleyball.org – for information.
- c. The team must have their entry fee paid into the USA Volleyball National office guaranteeing that the team will attend the National Championships if they win the available bid to represent the Pioneer region.
- d. Have sent in their completed entry form to the region tournament director.

The tournament winner will receive the region bid to the USAV Junior Championships. If the team winning a region bid is awarded a Bid at a National Qualifier the region bid will be passed down to the next team with the highest finish in the bid tournament. Any further bids assigned to the region will be awarded to region teams according to their finish in the Bid Tournament.

Pioneer Region enters the Tier 2 drawing for hotel room nights. These rooms will be available for use by the Pioneer Region National Bid winners. If not used by the National bid winner they will be passed on to other teams in the same age category and then to other teams that are attending the National Championships.

**Applications for USA Junior Volleyball Championships** - Teams qualifying by winning the Regional Bid Tournament, or any other qualifying event, must complete all entry requirements prior by the appropriate cut-off date. Any questions regarding proper procedures should be directed to the Pioneer Region office.

## *Clinics*

### *Impact Certification*

All coaches are required, in a reasonable amount of time, to have a training course called Impact. It is required if they are coaching in any National event. The Pioneer Region will be scheduling Impact certification clinics at various sites around the region. These are usually conducted December - February.

Contact Dale Grupe ([dvolley61@aol.com](mailto:dvolley61@aol.com)) about having a course in your area.

Dates and times of all clinics will be posted on the Pioneer Region website.

Reminder: All teams intending to participate in the Junior National Championships or any Qualifier must have **all** coaches on the bench IMPACT certified... If a coach has been Impact certified this certification is good for life.

Cost of the Impact class is free for Pioneer Region members if given by a Pioneer Region clinician in person. USA Volleyball also offers IMPACT online for a fee – information can be found on the USA Volleyball website.

### *CAP Clinics*

A schedule and explanation of CAP Clinics can be obtained on the USA Volleyball website.

### *Junior Scorer and Referee Certification*

The Pioneer Region offers clinics every season to train players in proper scorer techniques. These clinics are offered in all areas of the region. All we need is for you to find us a facility in your area then call to schedule a date and time.

There is also online training at <https://volleyballreftraining.com/>. These clinic offer both scoring and R2 training. Contact the Scorer Chair, Nancy Funk, about a free scorer clinic [Nfunk@twc.com](mailto:Nfunk@twc.com).

When attending a National event or Qualifier you must have at least one certified scorer and one certified junior R2 on your team – you may have the whole team certified.

A player who is to be newly certified needs to #1 attend a season clinic or view the scorer clinic on the Volleyballreftraining site and then #2 keep score on two matches having a certification form signed by the USA certified official who is the referee on the court of the match they have just scored. After the second match has been scored and an official signature obtained, the coach signs the bottom of the certification form for verification that this player has completed the process and sends the form to the scorer chair. Certifications need to be renewed every 3 years.

A player who is to be a junior certified R2 needs to view the online junior R2 training online. Then be the R2 on at least three (3) matches. Have the USAV certified official on the match sign the certification form after each match and have the coach sign. Send the completed form to the referee chair. Certifications need to be renewed every 3 years.

If a player does not register for a season they automatically loss their certification and must recertify.

Club directors are able to see all certified players for their club. Certifications are printed on each individual membership card that players are able to print from their own membership area of the Pioneer Region registration site.

**The Junior Scorer Certification and Junior R2 forms may be downloaded from the Pioneer Region website under Forms.**

## *Frequently Asked Questions*

### **1. Have a parent/legal guardian meeting at the beginning**

Before you have tryouts for your teams, or form a team, have a meeting with the parents/legal guardians. Be sure up front that they know what to expect

What will the cost be? (USA registration, uniforms- 2 sets, cost of gym rental, tournament entry fees, hotels, etc.)

When and how much practice involved?

How much travel involved going to tournaments?

Playing time per player?

Possibility of fund-raising?

### **2. Every club should have a contract**

Each parent/legal guardian should sign a contract regarding payment of fees. A club should contact an attorney for assistance if necessary. This will give a club some protection if a player does not pay their fees. Give a breakdown of what the payments cover. The region cannot help a club if there is a dispute about payments if there is no contract and nothing to show exactly how much was paid, how much is owed and exactly for what the payments are for.

Any player who does not fulfill their monetary obligation should be reported at the end of the season and prior to the beginning of the next season to the region office. If they did not pay you they may not pay the next club and in this way we can hopefully keep players from traveling from club to club owing a debt. Any player, with a signed contract, reported for non-payment of fees during a season may not be registered in future seasons until a settlement is reached with the previous club. This is why you need the Parent informed with a contract signed and keep a copy in case there is a dispute.

### **3. Get each coach a folder**

See that each team coach has a folder/binder to have with him/her at all times

In this folder/binder place

- a. Each team member medical release form – then at practice or at a tournament it is always available if needed in case of emergency
- b. Copies of birth certificates that may be needed – if you have a specific player that appears older than her age, the coach will have proof if asked by a tournament for verification
- c. Copy of the team roster
- d. Print each of the team membership cards – these show their certifications
- e. Blank Junior scorer and R2 certification forms for the players

### **4. Insurance Certificate**

Request an insurance certificate for your practice facility from the region office if needed. Download the form from the website or email the information on the form to [NFunk@twc.com](mailto:NFunk@twc.com). This certificate is merely a written document that provides evidence that an insurance policy is in effect for USA Volleyball. Many practice facilities require this for the use of their facility.

### **5. Team Parent**

Have a team parent that is willing to be a chaperone. Let this parent be responsible for phone calls, collecting paper work, washing uniforms on trips and being a general help to the coach. This will help the coach concentrate on coaching the team.

### **6. Is it necessary to give my date of birth when I register?**

Yes – there must be a date of birth on all registration forms for adults and juniors. For junior players, so we can be sure they qualify for the age group in which they are being registered to participate. For adults, they must be of legal age to be a head coach (18) and to be a chaperone they must be at least 25. The National office will not accept a registration for membership without a date of birth.

**7. We are just starting what do we need?**

Use this Pioneer Region Junior Handbook as a starting point.

Also on The Pioneer Region website [www.PioneerVB.com](http://www.PioneerVB.com)

there is an example of a club handbook that you can use as a template for your own club.

Contact the Pioneer Region office for further information and guidance. [NFunk@twc.com](mailto:NFunk@twc.com)

**8. Do I have to give my Social Security number?**

Only adults that are going to be associated with Juniors will have to enter their Social Security number. This is for the Background Screening company to use for identification purposes. The number is erased after the required screening is complete.

Third	Individual may be declared ineligible for USAV registration or RVA membership for the remainder of his/her lifetime.
-------	--

NOTE: Major misbehavior (e.g. verbal or physical abuse of a child, sexual harassment, etc.) may subject the violator to a lifetime ineligibility for USAV registration or RVA membership after the first infraction. Penalties are only applied after affording the participant due process as required by the Ted Stevens Olympic and Amateur Sports Act (TSOASA), USOC, RVA, and USAV. Appeals, other than for doping violations, may be made in accordance with procedures set forth in the bylaws and operating codes of USA Volleyball and the RVA as printed in the current Official USA Volleyball Guide and RVA Handbook, respectively.

*DISCIPLINARY POLICY*

It is the responsibility of the Pioneer Regional Volleyball Association Board of Directors to administer volleyball within the Pioneer Region. On occasion, Pioneer Region members may violate, or be accused of violating, Region or USAV rules as spelled out in this handbook or the USAV Guide Book. Such alleged violations may require actions by the Pioneer Region. These due process rules are established to protect the rights of any accused member of the Region, the safety of Region members, and the integrity of the Region.

*Due Process Procedure*

Some actions or alleged actions by individuals or teams result in automatic sanctions in accordance with the Region Handbook (e.g., failure to fulfill officiating responsibilities, use of alcohol or controlled substances at a tournament, failure to appear at an event for which a team is pre-registered, etc.). The appropriate officer of the Region Board (e.g., the Referees Chairman may prohibited an official from officiating if he/she has not met requirements.), or the Commissioner, after considering the evidence of wrongdoing, may administer such automatic sanction. If there is no clearly appropriate Board officer, the Commissioner shall administer the automatic sanction.

The Commissioner, after considering the evidence, shall have authority to impose sanctions for routine wrongdoing by Region members not otherwise provided for by the Region Handbook (e.g., minor damage to facilities or equipment).

The first level of appeal from sanctions for routine matters shall be the Commissioner, who may request that such appeal be in writing. The Commissioner may either rule on the appeal or delegate the appeal to the Review Board (see below) for formal consideration. If the Commissioner rules on the appeal and the relevant person or team wish to appeal further, such appeal shall be to the Review Board.

**Review Board** - A Review Board consisting of three persons shall have responsibility for action on alleged wrongdoing of a serious nature by Region members or for appeals from sanctions for wrongdoing otherwise deemed routine. The Commissioner shall chair the Review Board and shall be a voting member unless he/she ruled on the first level of appeal from a sanction for routine matter; in the later case, the Commissioner shall remain the administrative chair of the Review Board but shall not be a voting member. If necessary to replace the Commissioner with a third voting Review Board member, such member of the Region Board shall serve as is jointly selected by the accused individual or team representative and the Region Board Representative, if an agreement cannot be reached, such Region Board member shall serve as a voting member in place of the Commissioner as is selected by blind lottery from among the Region Board members. One member of the Review Board shall be a Region Board member selected by the accused individual or team representative. The other member of the Review Board shall be such Board member as is most appropriate to the situation at issue as determined by a majority of the Player Representatives and Junior Coordinator. If more than one Region Board member is unwilling or unable to serve if selected under any of the above described methods, the Commissioner and accused may agree on a method for selecting a Review Board member from among the Region's general membership.

For matters to be considered by the Review Board, notice shall be provided to the accused in writing as soon as reasonably possible. Oral notice may precede written notice for expediency. Written notice; shall include a copy of these due process procedures and shall describe the alleged wrongdoing, the range of possible sanctions, and shall suggest a date, location, and method (in person or by telephone conference if acceptable to accused) for the hearing. The date and location shall be established as much as reasonably possible to accommodate the accused. If the accused does not cooperate in establishing such date and location, the Review Board shall schedule the hearing at its convenience and the accused shall be so advised in writing.

The exact format of the hearing may vary as arranged with the accused, but it generally shall include an initial statement summarizing the allegations, presentation of evidence of the alleged wrongdoing, and presentation of evidence of innocence or of mitigating circumstances.

After the hearing concludes, all interested parties shall be dismissed and the Review Board shall consider and discuss the evidence. As soon as possible after the hearing (but not necessarily the same day), the Review Board shall reach a decision, which it shall formalize in writing delivered to the accused. A decision of a majority of the Review Board members shall control and any dissent shall be noted in the written decision.

**Final Appeal** - Appeals from decisions of the Review Board shall be to the entire Region Board. An appeal hearing to the Region Board shall follow the same format as described above for the Review Board. The administrative chairman of an appeal hearing shall be such Board member as is selected by mutual agreement of the accused and Commissioner. If no agreement can be reached, the administrative chairman shall be such Region Board member as is selected by blind lottery. An accused must provide written notice to the Commissioner of an intention to appeal a Review Board decision within sixty days after such decision has been mailed by certified or registered mail or delivered by hand delivery to the accused. Otherwise, the accused shall not be entitled to an appeal.

An appeal hearing shall occur within thirty days after notice of intent to appeal has been mailed unless the appellant and Commissioner agree otherwise. Any decision and sanction of the Review Board shall remain in effect until the appeal hearing. For the appeal hearing to be effective, it shall be necessary that a quorum of Region Board members be physically present, proxy votes will not be permitted.

Appeal hearings shall be recorded on audiotape.

**Miscellaneous** - The Region Board is not a court of law but, rather, a non-profit, private group of volleyball players, coaches, and organizers duly elected to administer volleyball within the Region. It is the duty of the Region Board to strive to obtain just and fair results when a Region member is accused of wrongdoing relevant to volleyball within the Region. As a private body, the Region Board does not follow the Federal Rules of Evidence but shall accord weight to evidence based on its substance and on common sense.

**Note that the Review and Region Boards have the authority to suspend membership privileges for more than one year.**

For serious matters, unless the safety of Region members is at risk, physical or other substantial injury has resulted, or the accused was clearly caught in the act of a serious wrongdoing relevant to volleyball, no penalty, sanction, or fine shall be imposed against the accused without a hearing by the Review Board. In the instances cited, however, a temporary sanction may be imposed by the Commissioner after careful consideration of the evidence and situation; any such action shall be stated in writing delivered to the accused. The United States Volleyball Association now provides that the only appeal from a decision of the Region Board shall be to the United States Volleyball Association National Ethics and Eligibility Committee and only for a determination of whether the accused received due process.

If an individual moves into the Region, or a team attempts to register in the Region, subject to the sanctions of another Region, which has a procedure for appealing from sanctions, the Pioneer Region shall respect and observe the other Region's sanction for the balance of its term (regardless of whether the individual or team exercised such appeal process).
