

SYSTEM UPDATE: "Login to USAV Academy" button.

A Webpoint user can access USAV Academy by clicking on the "Login to USAV Academy" or "USAV Academy" button. This button shows in four places:

- (1) On the confirmation screen of the clinic registration process when registering for a clinic associated with USAV Academy;
- (2) On the confirmation text for a clinic registration when accessed from the user's "Member Area: Member Profile – Registrations" tab when logged in to Webpoint;
- (3) On the "Member Home" screen when logged in to Webpoint; and
- (4) At the bottom of the menu options when logged in to Webpoint (shows as "USAV Academy" due to space constraints).

Please note that a Webpoint user can access USAV Academy prior to clinic registration, but the appropriate courses will not display until the clinic registration is completed in Webpoint. All instructions for members need to stress that the clinic registration in Webpoint needs to be the first step, then use the Login to USAV Academy button to access the coursework.

After clicking the "Login to USAV Academy" or "USAV Academy" button, the user is automatically logged in to USAV Academy and can view the coursework associated with the clinic(s) for which he/she has registered.

Clinic registration confirmation screen:

The screenshot displays the registration confirmation page for the New England Region USA Volleyball. The page includes a navigation menu on the left, a main content area with registration details, and a footer with social media links and a printer-friendly version link. A red box highlights the "Login to USAV Academy" button at the bottom, with a purple arrow pointing to it.
